- / lowercase letter
- ¶ indent
- ^ add words
- | divide into 2 words

Candied Apples

my Grandmother makes the bestest candied apples.
She makes them every year for halloween? She always
have a line of kids weighting at her door. When they yell
Trick or Treat," they are hoping for a candied apple. Their is
nothing better than biting threw the hard candy into the
juicy red apple. Because they are so that they make me
wish ever day was halloween.
