

Winter

December, January and February are winter months.
Winter can be very cold in some places. It can even snow.
Sometimes the wind blows snow and ice everywhere.

You can make a snowman with snow.

Some people like to sled down hills in the snow.

Did you know that no two snowflakes are alike?

1. Circle all of the winter words you read in the passage above:

snow ice fish cold grass
snowflake hamster snowman
dog ball brother sled

2. Underline things the winter wind blows.

cookie nose ice girl snow chicken

3. (Unscramble) Can you tell which winter month this is?

ajryaun

Answer: _____

4. On the back of this sheet, draw something you like to do in the winter.
